## Notice to a Purchaser of Real Property in a Water District

NOTICE FOR DISTRICTS LOCATED IN WHOLE OR IN PART IN THE EXTRATERRITORIAL JURISDICTION OF ONE OR MORE HOME-RULE MUNICIPALITIES AND NOT LOCATED WITHIN THE CORPORATE BOUNDARIES OF A MUNICIPALITY

The real property, described below, that you are about to purchase is located in the Harris-Montgomery Co Mud 386 District. The district has taxing authority separate from any other taxing authority and may, subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the rate of taxes levied by the district on real property located in the district is \$0.47 on each \$100 of assessed valuation. If the district has not yet levied taxes, the most recent projected rate of tax, as of this date, is \$0.47 on each \$100 of assessed valuation. The total amount of bonds, excluding refunding bonds and any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters and which have been or may, at this date, be issued in \$157,070,000.00, and the aggregate initial principal amounts of all bonds issued for one or more of the specified facilities of the district and payable in whole or in part from property taxes is \$293,500,000.00.

The district has the authority to adopt and impose a standby fee on property in the district that has water, sanitary sewer, or drainage facilities and services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The district may exercise the authority without holding an election on the matter. As of this date, the most recent amount of the standby fee is \$n/a. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the district stating the amount, if any, of unpaid standby fees on a tract of property in the district.

The district is located in whole or in part in the extraterritorial jurisdiction of the City of The Woodlands. By law, a district located in the extraterritorial jurisdiction of a municipality may be annexed without the consent of the district or the voters of the district. When a district is annexed, the district is dissolved.

The purpose of this district is to provide water, sewer, drainage, or flood control facilities and services within the district through the issuance of bonds payable in whole or in part from property taxes. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned or to be owned by the district. The legal description of the property you are acquiring is as follows:

subject to mandatory membership in a property owners association(s). If the Property is subject to mandatory membership in a property owners association(s), Seller notifies Buyer under §5.012, Texas Property Code, that, as a purchaser of property in the residential community identified in Paragraph 2A in which the Property is located, you are obligated to be a member of the property owners association(s). Restrictive covenants governing the use and occupancy of the Property and all dedicatory instruments governing the establishment, maintenance, or operation of this residential community have been or will be recorded in the Real Property Records of the county in which the Property is located. Copies of the restrictive covenants and dedicatory instrument may be obtained from the county clerk. You are obligated to pay assessments to the property owners association(s). The amount of the assessments is subject to change. Your failure to pay the assessments could result in enforcement of the association's lien on and the foreclosure of the Property.

Section 207.003, Property Code, entitles an owner to receive copies of any document that governs the establishment, maintenance, or operation of a subdivision, including, but not limited to, restrictions, bylaws, rules and regulations, and a resale certificate from a property owners' association. A resale certificate contains information including, but not limited to, statements specifying the amount and frequency of regular assessments and the style and cause number of lawsuits to which the property owners' association is a party, other than lawsuits relating to unpaid ad valorem taxes of an individual member of the association. These documents must be made available to you by the property owners' association or the association's agent on your request.

If Buyer is concerned about these matters, the TREC promulgated Addendum for Property Subject to Mandatory Membership in a Property Owners Association(s) should be used.

- (3) STATUTORY TAX DISTRICTS: If the Property is situated in a utility or other statutorily created district providing water, sewer, drainage, or flood control facilities and services, Chapter 49, Texas Water Code, requires Seller to deliver and Buyer to sign the statutory notice relating to the tax rate, bonded indebtedness, or standby fee of the district prior to final execution of this contract.
- (4) TIDE WATERS: If the Property abuts the tidally influenced waters of the state, §33.135, Texas Natural Resources Code, requires a notice regarding coastal area property to be included in the contract. An addendum containing the notice promulgated by TREC or required by the parties must be used.
- (5) ANNEXATION: If the Property is located outside the limits of a municipality, Seller notifies Buyer under §5.011, Texas Property Code, that the Property may now or later be included in the extraterritorial jurisdiction of a municipality and may now or later be subject to annexation by the municipality. Each municipality maintains a map that depicts its boundaries and extraterritorial jurisdiction. To determine if the Property is located within a municipality's extraterritorial jurisdiction or is likely to be located within a municipality's extraterritorial jurisdiction, contact all municipalities located in the general proximity of the Property for further information.
- (6) PROPERTY LOCATED IN A CERTIFICATED SERVICE AREA OF A UTILITY SERVICE PROVIDER: Notice required by §13.257, Water Code: The real property, described in Paragraph 2, that you are about to purchase may be located in a certificated water or sewer service area, which is authorized by law to provide water or sewer service to the properties in the certificated area. If your property is located in a certificated area there may be special costs or charges that you will be required to pay before you can receive water or sewer service. There may be a period required to construct lines or other facilities necessary to provide water or sewer service to your property. You are advised to determine if the property is in a certificated area and contact the utility service provider to determine the cost that you will be required to pay and the period, if any, that is required to provide water or sewer service to your property. The undersigned Buyer hereby acknowledges receipt of the foregoing notice at or before the execution of a binding contract for the purchase of the real property described in Paragraph 2 or at closing of purchase of the real property.
- (7) PUBLIC IMPROVEMENT DISTRICTS: If the Property is in a public improvement district, §5.014, Property Code, requires Seller to notify Buyer as follows: As a purchaser of this parcel of real property you are obligated to pay an assessment to a municipality or county for an improvement project undertaken by a public improvement district under Chapter 372, Local Government Code. The assessment may be due annually or in periodic installments. More information concerning the amount of the assessment and the due dates of that assessment may be obtained from the municipality or county levying the assessment. The amount of the assessments is subject to change. Your failure to pay the assessments could result in a lien on and the foreclosure of your property.
- (8) TRANSFER FEES: If the Property is subject to a private transfer fee obligation, §5.205, Property Code, requires Seller to notify Buyer as follows: The private transfer fee

- H. RESIDENTIAL SERVICE CONTRACTS: Buyer may purchase a residential service contract from a residential service company licensed by TREC. If Buyer purchases a residential service contract, Seller shall reimburse Buyer at closing for the cost of the residential service contract in an amount not exceeding \$ 900.00. Buyer should review any residential service contract for the scope of coverage, exclusions and limitations. **The purchase of a residential service contract is optional. Similar coverage may be purchased from various companies authorized to do business in Texas.**
8. **BROKERS' FEES:** All obligations of the parties for payment of brokers' fees are contained in separate written agreements.
9. **CLOSING:**
- A. The closing of the sale will be on or before September 7, 2018, or within 7 days after objections made under Paragraph 6D have been cured or waived, whichever date is later (Closing Date). If either party fails to close the sale by the Closing Date, the non-defaulting party may exercise the remedies contained in Paragraph 15.
- B. At closing:
- (1) Seller shall execute and deliver a general warranty deed conveying title to the Property to Buyer and showing no additional exceptions to those permitted in Paragraph 6 and furnish tax statements or certificates showing no delinquent taxes on the Property.
  - (2) Buyer shall pay the Sales Price in good funds acceptable to the escrow agent.
  - (3) Seller and Buyer shall execute and deliver any notices, statements, certificates, affidavits, releases, loan documents and other documents reasonably required for the closing of the sale and the issuance of the Title Policy.
  - (4) There will be no liens, assessments, or security interests against the Property which will not be satisfied out of the sales proceeds unless securing the payment of any loans assumed by Buyer and assumed loans will not be in default.
  - (5) If the Property is subject to a residential lease, Seller shall transfer security deposits (as defined under §92.102, Property Code), if any, to Buyer. In such an event, Buyer shall deliver to the tenant a signed statement acknowledging that the Buyer has acquired the Property and is responsible for the return of the security deposit, and specifying the exact dollar amount of the security deposit.
10. **POSSESSION:**
- A. Buyer's Possession: Seller shall deliver to Buyer possession of the Property in its present or required condition, ordinary wear and tear excepted: ☒ upon closing and funding ☐ according to a temporary residential lease form promulgated by TREC or other written lease required by the parties. Any possession by Buyer prior to closing or by Seller after closing which is not authorized by a written lease will establish a tenancy at sufferance relationship between the parties. **Consult your insurance agent prior to change of ownership and possession because insurance coverage may be limited or terminated. The absence of a written lease or appropriate insurance coverage may expose the parties to economic loss.**
- B. Leases:
- (1) After the Effective Date, Seller may not execute any lease (including but not limited to mineral leases) or convey any interest in the Property without Buyer's written consent.
  - (2) If the Property is subject to any lease to which Seller is a party, Seller shall deliver to Buyer copies of the lease(s) and any move-in condition form signed by the tenant within 7 days after the Effective Date of the contract.
11. **SPECIAL PROVISIONS:** (Insert only factual statements and business details applicable to the sale. TREC rules prohibit license holder from adding factual statements or business details for which a contract addendum, lease or other form has been promulgated by TREC for mandatory use.)
12. **SETTLEMENT AND OTHER EXPENSES:**
- A. The following expenses must be paid at or prior to closing:
- (1) Expenses payable by Seller (Seller's Expenses):
    - (a) Releases of existing liens, including prepayment penalties and recording fees; release of Seller's loan liability; tax statements or certificates; preparation of deed; one-half of escrow fee; and other expenses payable by Seller under this contract.
    - (b) Seller shall also pay an amount not to exceed \$ \_\_\_\_\_ to be applied in the following order: Buyer's Expenses which Buyer is prohibited from paying by FHA, VA, Texas Veterans Land Board or other governmental loan programs, and then to other Buyer's Expenses as allowed by the lender.
